QUESTION:

Assalaamu Alaikum

I am soliciting your help to know the answers to the followings:

1. It is mentioned in the Quraan Paak that a Masjid was built up to create division among Huzoor saw's Ashaabs. And Allah forbade Muslims to pray in that Masjid. Allah forgive me if this is not so. This is why I seek your valuable help. Please let me know where in the Quran I will find this Ayat?
2. Is it recommended to use the agarbathi during the Ramadhan Shareef while we are fasting?

I would be most grateful to receive your reply.
Fiye Amaanillah.

ANSWER NO 01:

Yes, It is mentioned in the Holy Quraan that some Hypocrites built a mosque in Madinah Shareef near Masjid e Quba. The Mosque was known as Masjid e Diraar.

Allah Almighty Said in the Holy Quraan:

“And those who have built a mosque in order to commit mischief and spread infidelity and the cause discussion among Muslims, and as a ambush for him who is already against Allah and his Messenger from before. And they will surely swear that we desired only good. And Allah bears witness that they certainly liars”.

Surah Tauba, Ayat No 107

The Hypocrites' evil intension was that when ever the sinful priest Abu Amir Came secretly to Madina Shareef he should inwardly plot against the Muslim, but outwardly tell the Holy Prophet “Sallallahu Alaihi Wasallam” that we have built this mosque for the convenience of the old and the sick.

He even requested the Holy Prophet “Sallallahu Alaihi Wasallam” to perform one Salaat to bless the Mosque.

Allah Almighty stopped his beloved from doing this. The Holy Prophet “Sallallahu Alaihi Wasallam” then gave order to demolish this mosque. According to this it was demolished and burned.

From this we learn that one should not perform Salaat in unlawful mosque.

ANSWER NO 02:

You can use the agarbathi during the Ramadhan Shareef. But it is not allowed to inhale the smoke. If voluntary you inhale the smoke so your Roza will definitely break.
