I am a woman and would like to know what prayers or tasbeeh a woman is allowed to do when she is in menstruation especially for Shab-e-Qadr.

Walaikum Salaam Wr Wb

Dear Sister,

In the period of menses, you can read any Tasbeeh, Dua and Wazifa except performing Namaz (prayers) and reciting & touching the Holy Quraan.

Don't think that you will obtain less rewards, Alhamdulillah, you will be rewarded endlessly in front of Allah Almighty. Insha Allah

Wish a Happy Laylat ul Qadr Mubaarak.
Jazaakallah
