I intend to go for Umrah for 8 days (4 days in Madina Shareef and 4 days in Makkah Shareef) and this will be my first Ziraat to Madina Shareef and Makkah Shareef. Someone told me as this will be my first visit I must stay longer in Madina Shareef in order to perform 40 Farz Namaz. I want you to guide me in this issue.

Walaikum Salaam Wr Wb

(1) In Ihraam status, you will not be able to wear sewing clothes, even underwear etc... If you have the problem of urine discharge, so you are Ma'zour... We are sending you a detail Fatwa, find the attachment...

In this case, you can change your Ihraam or you can wash the impure place and you can put a tissue while performing Umrah etc...

(2) Hajj is Obligatory, but the condition is not Umrah... Its condition is to have the capacity, so by saying that if someone who has not performed Hajj and go for Umrah, the coming Hajj is Farz on him, this is not true.

(3) It is only recommended to stay in Madinat ul Munawwarah for 40 prayers, it is not necessary.

(4) For you problem, read YAA QAABIDU YAA ALLAH 40 times after each prayer, read Durood Shareef before and after.
